# Welcome Message

**Dear Seniors and Colleagues,**

On behalf of the Organising Committee, it is our privilege and pleasure to welcome you to **UP-UK NEUROCON 2027**, scheduled from **2nd – 4th April 2027** at **The Crowne Plaza, Mayur Vihar**.

The conference is being organized by the **Ghaziabad Noida Neurosciences Association (GNNA)**, this academic gathering will bring together neurologists, neurosurgeons, neuroscientists, and allied professionals to exchange knowledge, share clinical experience, and discuss advances shaping the future of neurosciences.

Our theme, **"Connecting Minds, Advancing Neuroscience,"** reflects the belief that progress in our field is strengthened through collective expertise and meaningful collaboration. The scientific programme will encourage thoughtful deliberation on emerging research, evolving techniques, and contemporary clinical challenges, with a shared emphasis on improving patient care.

The Organising Society is united by a commitment to academic excellence and professional fellowship. Through careful planning and a shared vision, the team is dedicated to creating a distinguished platform that honours the experience of senior faculty, encourages the contributions of young clinicians, and strengthens dialogue between neurology and neurosurgery. It is our sincere endeavour to make every participant's engagement intellectually rewarding and professionally meaningful.

**Noida and the wider National Capital Region** provide a fitting setting for this gathering of the neuroscience's fraternity. Bringing colleagues together in this region offers an opportunity to strengthen institutional ties, encourage collaborative learning, and build enduring partnerships in clinical practice, medical education, and research.

Your presence and active participation will enrich the scientific deliberations and contribute to the success of **UP-UK NEUROCON 2027**.

We look forward to welcoming you to an academically stimulating conference and to advancing our shared pursuit of excellence in neurosciences.

With Warm Regards,

**Organising Committee**
**UP-UK NEUROCON 2027**

**Dr. Rahul Gupta**
Organising Secretary

**Dr. Vivek Kumar**
